US DOT Selects Sun Country Airlines to Serve Chippewa Valley Regional Airport

Eau Claire, Wisconsin, July 14, 2022 – The United States Department of Transportation (US DOT) has issued an order selecting Sun Country Airlines (NASDAQ: SNCY) to provide scheduled passenger service to the Chippewa Valley Regional Airport under the Essential Air Service program.

Sun Country Airlines will provide two flights per week to the Minneapolis-St. Paul International Airport and at least two flights per week seasonally to Ft. Myers, FL, Orlando, FL and Las Vegas, NV. The rotation of the seasonal hub will adjust based upon the time of year. All Sun Country flights will be provided on a 186-seat Boeing 737-800, providing a top-notch customer experience.

“The decision by the US DOT to select Sun Country Airlines to serve the region provides an exciting opportunity to work with an Ultra-Low-Cost Carrier that is already utilized by many area travelers,” said Charity Zich, Airport Director. “We look forward to working with Sun Country and thank the Department for expediting their carrier selection process.”

Headquartered in Minneapolis, MN, Sun Country Airlines flies 98 routes and serves 78 cities through the United States, Mexico, Central America, Canada and the Caribbean.

An official start date for the new service is expected in the coming weeks, but service is planned to start in early December with tickets available to purchase soon. Schedules and ticket availability will be announced on the airport website at www.chippewavalleyairport.com.

“Sun Country is excited to bring new service to the Chippewa Valley,” said Grant Whitney, Sun Country Airlines Chief Revenue Officer. “We appreciate the enthusiasm of and partnership with the Chippewa Valley Regional Airport

to connect Eau Claire with Minneapolis-St. Paul International Airport and the 78 destinations we serve and to provide service to Las Vegas, Orlando and Fort Myers. Sun Country is already well known to Wisconsin residents with our service in Green Bay, Milwaukee and Madison.”

About Sun Country Airlines - Sun Country Airlines is a new breed of hybrid low-cost air carrier that dynamically deploys shared resources across our synergistic scheduled service, charter and cargo businesses. Based in Minnesota, we focus on serving leisure and visiting friends and relatives ("VFR") passengers and charter customers and providing cargo CMI services, with flights throughout the United States and to destinations in Mexico, Central America, Canada, and the Caribbean.

About the Chippewa Valley Regional Airport – The Chippewa Valley Regional Airport is an FAA certified commercial service airport located in Eau Claire, WI. Businesses at the airport offer commercial service flights, on-demand charter flights, emergency medical transportation, flight instruction, aircraft rental, aircraft maintenance, car rentals, and a full service restaurant.
