Sun Country Airlines Service to MSP, Fort Myers from Chippewa Valley Regional Airport Now on Sale

Eau Claire, Wisconsin: The Chippewa Valley Regional Airport (EAU) is excited to announce Sun Country Airlines' service to and from EAU is now on sale. Sun Country Airlines will begin service to Minneapolis-St. Paul International Airport (MSP) December 1, 2022, and to Southwest Florida International Airport (RSW) in Ft. Myers, FL starting December 19, 2022.

Travelers interested in making reservations can visit www.suncountry.com or call Sun Country reservations at 651-905-2737.

"Travelers in our region will now have access to Sun Country's affordable fares with connecting flights through MSP and direct flights to RSW," said Airport Director, Charity Zich. "We are pleased that Sun Country will be expanding their offerings from their original proposal to a total of four roundtrips per week to MSP with flights timed to maximize connection opportunities."

In July, the US Department of Transportation selected Sun Country Airlines to serve the Chippewa Valley Regional Airport through the Essential Air Service program. Sun Country Airlines operates 98 routes serving 78 airports across the United States, Mexico, Central America, Canada and the Caribbean, providing safe, reliable, hassle-free flights at affordable prices. Sun Country offers a customer experience that includes free in-flight entertainment, complimentary non-alcoholic beverage service, a new mobile-friendly website with more self-service tools, and new interiors on each aircraft. Sun Country flights will be provided on 186-seat Boeing 737s.

“Sun Country is well known to Wisconsin travelers,” said Joe Beckendorf, Director of Network Planning and Airline Scheduling. “We already provide scheduled service to Green Bay, Milwaukee and Madison, and we are excited to now connect the Chippewa Valley with the 78 destinations we serve in addition to direct service to Fort Myers.”
